Earth Sciences Activities for Students
Chavda Shri Vinod

Will the Minister of EARTH SCIENCES be pleased to state:

(a) whether the Government proposes any plan for the Earth Science activities in the country for the students in the coming three years; and
(b) if so, the details thereof?

Answer

THE MINISTER OF STATE FOR MINISTRY OF SCIENCE AND TECHNOLOGY AND MINISTRY OF EARTH SCIENCES
(SHRI Y. S. CHOWDARY)

(a-b) Madam, there is no separate plan to propagate Earth Sciences Activities in the country for the students in the coming next three years. However, the Ministry will continue with the present activities for the students like celebrations of Earth Day on 22nd April & Ozone Day on 16th September every year and participation in International Earth Science Olympiads held annually. In addition to this, Ministry will continue to fund organization of seminars, conferences and exhibitions by various educational institutes and universities as usual.
